Tranquility. Beauty. Grace. These words cannot quite capture the awe-inspiring attraction of this riverfront home perched above the high banks of the middle fork on the Snoqualmie River. Stationed on over ¾ acre, the home is surrounded by luxurious gardens and manicured natural landscaping providing incredible privacy. While adjacent to Middle Fork Park, there are no HOA fees, and you still have free access to the public beach within the neighborhood. Listen to the river from the large patio or make your way down to your 95 feet of private riverfront access. Feels like a dream getaway in which to escape and relax. Come and hear the soothing sounds of natural water and enjoy the comfort and elegance that awaits you at Swiftwater.
